With the participation of

DAY 1 19 March, Wednesday

8:30 – 9:00	Registration			
9:00 – 10:15	Plenary Session I: Keynotes from Thought Leaders Chair: Liesbet Peeters – Assistant Professor, Biomedical Data Sciences, Hasselt University Welcome Speech Eric Sutherland – Senior Health Economist, Organisation for Economic Co-operation and Development The Porto Declaration on Health Data Quality, an Update Dipak Kalra – President, i-HD EHDS, what will the data quality and utility label look like? Enrique Bernal-Delgado – Senior Health Scientist, Institution for Health Sciences Aragon (IACS) Health Data Quality Maturity Bart Vannieuwenhuysse – Strategic Alliances Advisor, i-HD			Venue: STUDIO
10:15 – 10:45	Coffee break			
10:45 – 12:45	Parallel sessions			
10:45 – 12:45	Strengthening Hospitals for High-Quality Health Data Collection: Tools and Strategies for Excellence Venue: STUDIO Annelies Verbiest – Medical Oncologist/Data Access Committee Chair, UZ Antwerpen/Antwerp University Kirsten Colpaert – Medical Director, UZ Gent Data Science Institute Mona Bové – Scientific Associate, AZORG Yves Thorrez – Project Lead Data Intelligence, UZ Brussel Freija Descamps – Managing Partner, EdenceHealth Charlotte De Vlieghere – Co-Founder & Data Scientist, Tiro.health Antonella Cardone – CEO, Cancer Patients Europe Chair: Pascal Coorevits – Professor of Medical Informatics and Statistics, Ghent University Faculty of Medicine and Health Sciences	Data Quality, the Key Requirement to Mitigate AI Bias Venue: AQUARIUM Antoon Bronselaer – Asst. Professor, Dept. of Telecommunications and Information Processing, Faculty of Engineering and Architecture, Ghent University Mario Jendrossek – Director of European and International Affairs, Health Data Hub France Evdokimos Konstantinidis – Professor, Lab of Medical Physics and Digital Innovation, Aristotle University of Thessaloniki Koen Van de Weyer – Managing Partner, InspireHealth Alexandra Lovin – Principal Technologist, Thoughtworks Robin Decoster – Coordinator Zinn Health Innovations & Human Factor Lab, Human Factor Lab, Odisee Chair: Nathan Lea – Information Governance Lead, i-HD	Exploring the QUANTUM tool: a hands-on workshop Venue: RIVER 6 (R6) Yaelle Assous – Communication Officer for EU Projects, Digital Europe Claudio Proietti Mercuri – Workshop Lead, Sciensano Nienke Schutte – Head of Innovation, Health Information System Unit, Sciensano 	The fundamentals of human oversight in AI: The Who, What, Where and How Method Venue: RIVERSIDE Melissa Wittens – Researcher, imec-SMIT, Vrije Universiteit Brussel Anouk Verhellen – Researcher, imec-SMIT, Vrije Universiteit Brussel 
12:45 – 13:45	Lunch break			
13:45 – 14:30	Plenary Session II: Keynotes from Thought Leaders Chair: Peter Raeymaekers – Technology and Innovation Advisor, Zorgnet Icuro Health Data Quality Strategy, Belgium's Vision Nick Marly – Advisor, Cabinet of the Belgian Federal Minister of Public Health and Social Affairs How does Data Harmonisation Affect Data Quality? Noëlla Pierlet – Head of Data Science, Ziekenhuis Oost-Limburg			Venue: STUDIO
14:30 – 15:00	Coffee break			
15:00 – 17:00	Parallel sessions			
15:00 – 17:00	Strategic Health Data Quality Management: Integrating Policy,	Harnessing Data Quality for Optimising Clinical	Trustworthy AI in digital health: from guidelines to practice	Introduction to OHDSI Community & Tools

Governance, and Resource Allocation

Venue:
STUDIO

Elke Smits – Chief Science and Innovation Officer, UZ Antwerpen
Nicky Van Der Vekens – Data Quality Manager, AZ Maria Middelares
Anouk Verhellen – Researcher, imec-SMIT, Vrije Universiteit Brussel
Melissa Wittens – Researcher, imec-SMIT, Vrije Universiteit Brussel
Jens Goemaere – Data Scientist, AZ Groeninge
Kathleen Stam – Deputy to the Medical Director, AZ Oostende
Ward Servaes – Co-founder and Director, moveUP

 Chair: **Frank Staelens** – Director, Care Innovation, AZORG

Research, and Policy Making

Venue:
AQUARIUM

Katleen Janssens – Director, Health Data Agency
Irini Kessissoglou – Policy Officer, European Commission - DG Sante
Nienke Schutte – Head of Innovation, Health Information System Unit, Sciensano
David Smeets – Digital Health & Data Policy Manager, Johnson & Johnson Innovative Medicine
Valerie Vandeweerd – Co-founder and CEO, Monsana
Christophe Maes – Audit and Business Development Manager, i-HD

 Chair: **Steven Rimbaut** – Hospitals Director, Zorgnet Icuuro

Venue:
RIVERSIDE

Stelios Hadjidimitriou – Senior Researcher, Signal Processing and Biomedical Technology Unit, Dept. of Electrical & Computer Engineering, Aristotle University of Thessaloniki
Nenad Filipovic – Rector, University of Kragujevac/Coordinator, STRATIFYHF
Tim d'Hondt – Research Scientist, Eindhoven University of Technology
Mykola Pechenizkiy – Department of Computer Science Data Mining Chair, Eindhoven University of Technology
Carlos Molina – Department of Computer Science Data Mining Chair, Vall d'Hebron University Hospital
Vasileios Charisis – Senior R&D Project Manager – Researcher, Aristotle University of Thessaloniki

Venue:
RIVER 6 (R6)

Maxim Moinat – Scientific Researcher, Medical Informatics Department, Erasmus MC
Annelies Verbiest – Medical Oncologist/Data Access Committee Chair, UZ Antwerpen/Antwerp University

 Chair: **Liesbet Peeters** – Assistant Professor Biomedical Data Sciences, Hasselt University

17:30 onwards

Networking event and conference dinner
(both are only for attendees with "Summit Dinner" tickets to the dinner and select attendees registered by i-HD)

Venue: **RIVER**

DAY 2 20 March, Thursday

8:15 – 8:45	Registration		
8:45 – 10:00	Plenary Session III: Keynotes from Thought Leaders Chair: Scott Russel – Founder & CEO, Innatify Welcome Speech II <u>Health Data Quality, What is My Return as A Citizen?</u> Isabelle de Zegher – Founder, blloba <u>Health Data Quality, the Key Component for Real-World Evidence</u> Maxim Moinat – Scientific Researcher, Medical Informatics Department, Erasmus MC <u>Secondary Use of Data Starts in The Hospital</u> Pascal Verdonck – Vice-President, Belgian Association of Hospital Managers		Venue: STUDIO
10:00 – 10:30	Coffee break		Venue: RIVER
10:30 – 13:00	Parallel sessions		
	Advanced Strategies and Tools for Ensuring High-Quality Data during Data Mapping Venue: RIVERSIDE Andreas Kremer – Co-founder and Managing Director, ITTM Solutions Mieke Deschepper – Data Scientist/Researcher, UZ Gent Noelia Garcia – Information Analysis and Management Control, Hospital 12 de Octubre Remzi Celebi – Assistant Professor Institute of Data Science, Maastricht University Thanos Vidakis – Digital Health Innovation Expert, AINIGMA Technologies and National Technical University of Athens Hanne Derycke – Data Scientist, Jan Yperman Ziekenhuis Peter De Jaeger – IT Director, RADAR (AZ Delta) Kim Vriens – Value-based Healthcare & Innovation Consultancy Lead, PwC Belgium Chair: Noëlla Pierlet – Head of Data Science, Ziekenhuis Oost-Limburg	Data Quality in the Era of Synthetic Data Venue: AQUARIUM Ahmed Youssef Ali – Lead Data Scientist, Johnson & Johnson Innovative Medicine Sara Reidel – Biostatistician/Data Manager, Vall d'Hebron Institute of Research Sem Hoogteijling – Technical Physician, UMC Utrecht Luis Silva – Researcher and Physics Lecturer, NOVA School of Science and Technology Ines Silveira – Research Assistant, NOVA School of Science and Technology Francesco Regazzoni – Researcher Complex Cyber Infrastructure of Informatics Institute, University of Amsterdam Jan Ramon – Senior Researcher, INRIA Susanne Hultsch – Data Scientist/Engineer for Customer Projects, VEIL.AI Antti Airola – Associate Professor Data Science and Health Technology, University of Turku Master of Ceremony: HealthData4EU Cluster Chair: Christos Chatzichristos – Academic AI Expert, Flanders AI Academy (VAIA)	Advancing Health Data Quality Research: State of the Art Venue: STUDIO Ward Servaes – Co-founder & Director, moveUP Bob Moens – Co-founder & Director, moveUP Maarten Michiels – Obesity Surgeon, AZ Mol Hans Constandt – Co-founder, FAQIR-PACSOI Ilke Montag – Medical Policy Advisor Socialist Mutuality, BIHR Ben De Meester – Researcher, IMEC IDLab Vincent Seynhaeve – Country Medical Director, Pfizer
13:00 – 14:00	Lunch break		Venue: RIVER
14:00 – 15:15	Plenary Session IV: Keynotes from Thought Leaders Chair: Christophe Maes – Audit and Business Development Manager, i-HD <u>Health Data Quality and Trustworthy AI</u> Christos Chatzichristos – Academic AI Expert, Flanders AI Academy (VAIA) <u>Future Innovations Driven by Health Data Quality</u> Tom Braekeleirs – Visiting Professor, Ghent University/HealthTech Advisor and Speaker		Venue: STUDIO
15:15 – 16:30	Panel discussion		
	Multi-stakeholder perspectives on data quality from the secondary use perspective: What is needed to have better data quality for all Panelists: Jerome De Barros – Policy Officer, European Commission - DG Sante Juan-Jose Ventura – Research and Patient Engagement Director, Cancer Patients Europe Martina Fonseca – Chief Data Officer, Sciensano Andries Nelissen – Team Leader, Belgian Federal Public Service Health, Food Chain Safety and Environment Jesper Kjær – Global Director for Public Private Partnerships, Novo Nordisk Christ van Bronckhorst – Head of EU Agencies and Benelux Governments, IQVIA Chair: Dipak Kalra – President, i-HD		
16:30 onwards	Closing remarks		

HEALTH DATA 25 SUMMIT

High-quality Data to deliver tomorrow's healthcare

19-20 March 2025
Brussels, Belgium
